

Sequential Flowering Native Plants of the Pacific Northwest

WESTERN WASHINGTON

COMMON &
SCIENTIFIC NAMES

FLOWERING PERIOD

	MAR	APR	MAY	JUNE	JULY	AUG	SEPT	OCT
Indian Plum <i>Oemleria cerasiformis</i>								
Oregon Ash <i>Fraxinus latifolia</i>								
Tall Oregon Grape <i>Mahonia aquifolium</i>								
Red Flowering Currant <i>Ribes sanguineum</i>								
Salmonberry <i>Rubus spectabilis</i>								
Red Elderberry <i>Sambucus racemosa</i>								
Pacific Crabapple <i>Malus fusca</i>								
Bitter Cherry <i>Prunus emarginata</i>								
Common Camas <i>Camassia quamash</i>								
Cascara <i>Rhamnus (Frangula) purshiana</i>								
Kinnickinnick <i>Arctostaphylos uva-ursi</i>								
Serviceberry <i>Amelanchier alnifolia</i>								
Evergreen Huckleberry <i>Vaccinium ovatum</i>								
Twinberry <i>Lonicera involucrata</i>								
Pacific Ninebark <i>Physocarpus capitatus</i>								
Baldhip Rose <i>Rosa gymnocarpa</i>								
Mock Orange <i>Philadelphus lewisii</i>								
Nootka Rose <i>Rosa nutkana</i>								
Orange Honeysuckle <i>Lonicera ciliosa</i>								
Red Osier Dogwood <i>Cornus sericea</i>								
Salal <i>Gaultheria shallon</i>								
Thimbleberry <i>Rubus parviflorus</i>								
Spirea <i>Spiraea douglasii</i>								
Oceanspray <i>Holodiscus discolor</i>								
Lupine <i>Lupinus polyphyllus</i>								
Snowbrush <i>Ceanothus velutinus</i>								
Pearly Everlasting <i>Anaphalis margaritacea</i>								
Goldenrod <i>Solidago canadensis</i>
